The City Directory is the quickest, most effective and economical method of reaching all the people all the time. Those who buy without looking at the list of those who SELL do themselves great injustice. The classified business list in the City Directory forms the best Buyer's Guide on earth. Always tell the party you patronize that you got his name from the City Directory; it will please him and benefit you.

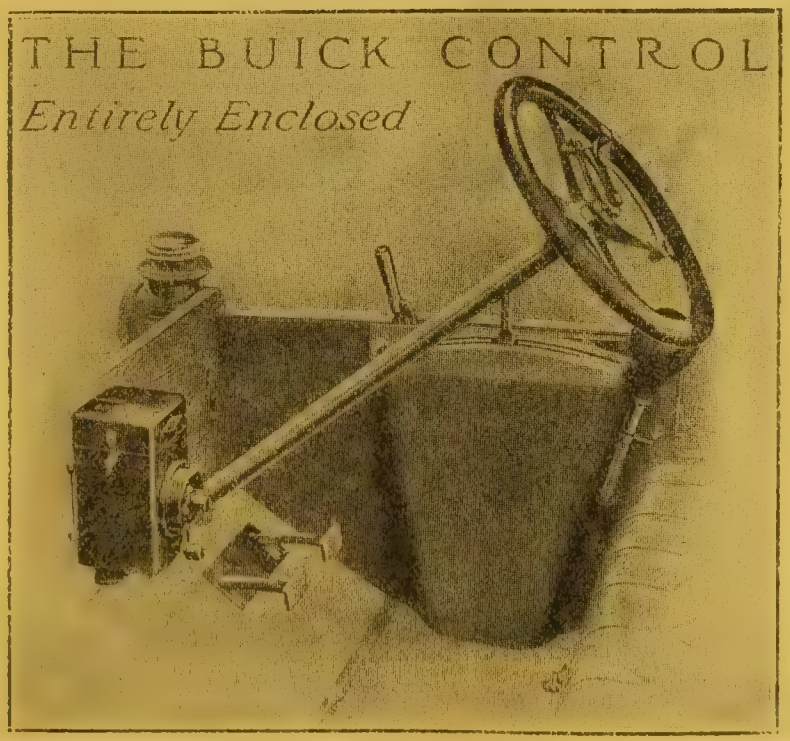
THE BUICK STORY IN TABLOID

The BUICK climbs hills better.



The BUICK develops more power.

The BUICK develops more speed than any other Automobile in the world for its cubic inch displacement.

The BUICK 1912 control is entirely enclosed.

The BUICK stands most hard use and abuse.

The BUICK for 1912 has an oil-tight crank case; inside control, positive acting velvety grip brakes and reserve motor power.

WE GUARANTEE YOU AGAINST LOSS AND MISREPRESENTATION IF YOU WILL MENTION THIS DIRECTORY WHEN PATRONIZING OUR ADVERTISERS. *ATLANTA CITY DIRECTORY COMPANY*

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

THIS IS THE 1912 ATLANTA CITY DIRECTORY

The City Directory is the quickest, most effective and economical method of reaching all the people all the time. Those who buy without looking at the list of those who SELL do themselves great injustice. The classified business list in the City Directory forms the best Buyer's Guide on earth. Always tell the party you patronize that you got his name from the City Directory; it will please him and benefit you.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.
